## A PORT EMPLOYEE IS TESTED POSITIVE FOR COVID-19

Montréal, April 2, 2021

The Maritime Employers Association received confirmation this evening that a port employee was tested positive for COVID-19. The employee's last day of work was Tuesday, March 30<sup>th</sup>.

We are following the steps defined in the contingency handling process related to the COVID-19, established with both unions.

We are in contact with the Public Health agency and are following their recommendations. We will continue the cleaning and disinfection process; and have advised the persons that could have come in contact with this employee.
