To: All Members of the Maritime Employers Association

Subject: MEA Linesmen operations fees—Port of Montréal

The Board of Directors has reviewed the Association's 2022 funding requirements for its Port of Montréal's linesmen operations.

The Board of Directors has agreed that the linesmen service rates be adjusted in 2022. Effective January 1, 2022, the linesmen service tariffs will be increased by \$117.00 per movement for ocean vessels and by \$60.00 per movement for coastal vessels. Furthermore, the Board of Directors also agreed to increase the linesmen's service rate for passenger vessels by 5.5%.

This will confirm that tariffs for the MEA linesmen service, as of January 1, 2022, are as follows:

Ocean vessels:	\$2,249 per movement
Passenger vessels:	\$2,938 per movement
Coastal vessels: (125 metres or less)	\$1,147 per movement

These fees apply to all vessels that are subject to the terms and conditions under the collective agreement with Montréal Local 375, Longshoremen, including those vessels utilizing Article 22.02 (standby gangs) of the agreement.

This Circular Letter amends the linesmen service tariffs as detailed in Circular Letter No. 2143 dated December 16, 2020.
